Approval of Minutes

- Some corrections done on 2-27-23 meeting minutes.
- Minutes for 2-27-23 will be approved at the next meeting on 4-24-23; confirmation of votes needed.

Advising Survey

- Report from survey results not completed yet. Updates to come next meeting.

Professional Development

- Provost and Laura Ann Bishop will be discussing PD funds rolling over into the next year at their next meeting. No decision made on rolling over funds yet.
- D. Foler presents the professional development funds request form and Professional Staff Advisor A LT Professional Development Funds Evaluation rubric that were used in the past.
- Member states that advisors were against this process of using a rubric to determine who gets to go to professional development.
- Possibility that ALT will come up with a new process.
- D. Foler suggests advisors could work with their respective school and Associate dean to determine how to use PD funds.
- Some advisors are not utilizing PD funds due to having to put up a lot of their own money to pay for expenses.
- Member states that a lot of the advisors don't use the PD funds because the conferences are held during their busiest time with advising and they do not have the time.

- Member wants clear instructions on how to go about the process because it is very confusing for many
- D. Fole proposes flowchart to walk advisors through the process.
- No answer from the provost on using PD funds to have a webinar for advisors.
- Member asks if advisors will get a new batch of money every year to use instead of it being one time.

News & Updates

- There is a joint effort between the Academic Notice Working Group and Student Success Analytics Certificate Program
- They are working on updating web pages, letters, other communications to state 'Academic Notice.'
- They are also working on identifying how to pull 'academic probation' off transcripts.
- Advising website is updated with the most current Advising Organizational Chart.
- Academic Petition deadline for Fall 2023 has been moved to July 8th to give students time to submit a petition if needed.
- Member wants recommendations from ALT on conversations had in SSE with different associate athletic directors and athletic advisors.
