Meeting began: 1:56 pm

_____ Interim Provost Harper welcomes the new members of ALT.

- Discussed the charge of the Advising Leadership Team: It is a very important body here on campus, it is critical considering what we are trying to accomplish as it relates to student success.
- ALT is a policymaking body, one of the intentions of ALT was It would focus on issues related to the advisors as well as the clearinghouse for the concerns of the Professional Advisors. The Provost holds regular meetings with Jennifer McCune, the ALT chair, in which she can bring issues in that may need his attention.
- If something does not fall within the Provost's purview regarding Academics or otherwise, t

that may need his attention, or if there is an Enrollment Management issue it should be taken to the new AVP of Enrollment Management.

Create and Propose Annual ALT Budget – The Provost has allocated money to this body for the first time, so it is up to this body to conclude about how to help and support professional advisors. Training for professional advisors some of those budgetary funds in order to ensure the training for those advisors is achieved. As it relates to faculty advisors, the Provost appreciates any council you would have, if there is a recommendation as to something that DCLC can should look at.

- This body does not set policy for Faculty Advisors
-

- J. McCune – Discussed the proposal with the committee, will make edits to the proposal and draft a policy and bring back to the next meeting for voting.
 - AARC will now be invited to the PA meetings
 - Will add AARC to the list of schools
 - Zoom appointments in addition to others
-

- J. McCune -Waiting on a decision from the Provost on the budget proposal that was submitted. Money has been approved, but total amount is unknown at this time.
-

- J. McCune – Mixed opinions regarding who should sign and who should not, primarily between Dept Chair of the Major or of the class in which a student is trying to add. This will need to be revisited. J McCune will discuss with D. Cantrell.
-

- T. McBride – Every fall there are over 300+ students that enroll as pre-nursing majors, overall, we have over 600 students that are considered pre-nursing though we do not currently have a pre-nursing category. It says nursing on their transcript the are confused that they are in the Nursing program, we are attempting to change it so on their transcript is states Pre-Health. When they apply on-line, they should be re-directed to Pre-Health. They will need to apply to the Nursing program to be accepted as a Nursing student. This should be available for the 21/22 AY.
-

- J. McCune will send out a survey through SSN we need feedback quickly regarding which types of topics they are interested in for Professional Development.
-

- A. Sixtos Professionalwgh fh(n)2.2 (rsTc 0 Tw 3.043 0809)Tj0.002 Tc 0.228 Td(w)-6.4 (ou)-0.7n53.3 (20.8e)2.8(20.8o)-

- L. Zuzarte –The form was updated. A Major Course Substitution, Minor Course Substitution, GE Course Substitution, Course towards Graduation, Transfer Student, Academic Programs AVP, is the only one that can sign this form.
 - Will bring the form to the next meeting to get feedback and hopefully finalize it.
 - We are still looking for a way to implement it through Peoplesoft.
-

- A. Sixtos - A student who wanted to take an AV course, the President indicated to the advisor to override and put the student in indicating there was no policy that stated a CSUB main campus student cannot enroll in an AV course.
 - L. Zuzarte – Will look further in the catalog to clarify this issue.
-

BC SW Campus and CSUB Services –

Freshman residency requirement, whether advising needs to do anything special given we will have a lot more students living on campus.

Meeting adjourned: 3:34 pm
