- Come Spring semester, it is to be determined if the survey will be available on Canvas
- Survey will be shared with the other 22 CSU campuses

### **Professional Development**

- \$60,000 was approved for all advisors on campus
- It is not clear how much of the money was used last year and how much was carried over to this year or if it will continue to roll over
- Will re-visit during the next meeting in the spring on how members want to allocate the money
- During peak times, it is hard for all advisors to go to a conference at the same time

- Advisors who have not been able to attend a conference will be prioritized
