Pillars

Academic Preparation- Develop a plan to provide academic and non-academic virtual support for first time students who arrive in need of additional academic preparation.

Enrollment Management Develop and implement a proactive communication strategy to remind students of the critical value of earning a college degree.

Student Engagement & Well-Being- Develop strategies for leveraging technology to reinforce a sense of belonging and to build meaningful social connections across campus.

Financial Support Identify additional opportunities to provide students with financial support beyond traditional financial aid.

Data-Informed Decision Making- Develop a strategy for collecting, analyzing and disseminating data that provide insight into how the spring 2020 term has affected equity and student progress toward degree.

Administrative Barriers Prioritize cross-divisional efforts to identify and eliminate institutional barriers to student success.
