- III. Report Definitions
  - 1. Effective Date Actual date the type of action will take effect.
  - <u>Action Date</u> Date the type of action transaction was entered into the HR PeopleSoft system. The date range uses Action Date to reduce the chance of employee activity going unreported due to retroactive or future dated transactions.
  - 3. <u>Action Type</u> definitions displayed on the last page of each report.
  - 4. <u>Employee Identification (Emplid)</u> an employee's unique identification number.
  - 5. <u>Record ID (Emp Rcd)</u> a sequential number that identifies each employee job.
  - 6. <u>Future Hire</u> person(s) not currently employed by CSUB but will be hired in the near future. These will always be listed on the last page of the report.
