

Ad hoc Meeting

You can conduct an ad hoc meeting with Zoom quickly and easily. Essentially, an ad hoc meeting is merely a video chat with multiple people or a non-scheduled meeting.

1. Click Home on the menu bar

2. From Home, click New Meeting

3. On the Choose one of the audio conference options, click Phone Call or Computer Audio.

4. Joining by Phone allows you to speak (if not muted) and to hear the audio. To join join with Phone Call,
